### **What will happen next?**

Stith Funeral Home will send a care professional to your loved one's location as soon as we are notified. In most cases it takes less than an hour for us to arrive at any location in the Danville and Junction City area. We have affiliates located all over the country to assist us, should the death occur in another area.

### **Your loved one never leaves our care.**

A staff member will be dedicated to assisting you and your family and will contact you to set a mutually agreed upon time of your choosing. From there, we will then take care of filing all necessary paperwork with the State of Kentucky, assist you in making arrangements associated with a service, etc.

### **We are here to help.**

Please call us if you have additional questions or need immediate assistance at any of our numbers, day or night.
